

REAR BLADES

RB35 SERIES

35 - 80 HP — 72" 84" 96"

- Cat. 1 & 2 hitch
- 9 Forward positions, 5 reverse positions
- 5 Tilt positions
- 12" Offset left or right
- Optional hydraulic offset cylinder
- 17" Moldboard rolls the material for less drag
- 5/16" Moldboard thickness
- Retractable parking stand for one person hook-up
- Optional gauge wheel for more precise grading
- Landscape Rake adaptable
- Reversible cutting edge gives twice the life
- Side plates and skid shoes available for aiding in grading

The 2" x 2" x 3/8" angle iron reinforcement and formed top lip provide the moldboard with additional strength.

The heavy-duty turntable housing fits snug to keep wear to a minimum and to extend the life of the threaded shaft.

13

Our new RBT35 Series Blade adds a new dimension to our extensive blade line-up. Looked upon as the perfect all around blade, the 35 Series is now offered with hydraulic function for Tilt, Offset and Angle.
